M. B. explained procedures

General - MC

Q: Head of Sov. section - just himself; then his wife joined; then!  
Getting info. on Sov. personnel & activities for purpose of knowing  
them & espionage activities

[Telephone surveillance  
Physical <sup>processing</sup> surveillance

Photographic  
Contact thru agents  
Direct contact

D: Assisted husband - only in Sov. section

Mainly in reading transcripts [of tapes] bringing things to husband's attn.  
Did read transcripts as soon as they came into the office - spent @ 2 hrs.  
a day reading these things; pulling info.

Q: [Joint operation] telephone [tap on] Sovs.

Took probably @ 2 days

Did not do physical & photo. surveillance; was done by support people;  
only rec'd. finished products

Did direct contact (dir. & indir.) w/ Soviets

Was responsible for reporting on all (above) activities.

No such thing as a normal day

D: In 1963, worked under contract on a p.t. basis

Transcripts were read routinely daily

Photo prod. didn't come in regularly

Q: " " wasn't his area; was done by L. Goodpasture

Job was to determine Sovs. relation to each other → it was in this regard

P. files = 201 files on indivs.

File was kept in transcripts - chronologically

Don't remember which copy kept in it.

They saw carbons (yellow sheet) of original transcripts.

Routing indications in copies:

D: she thinks so.

4: Scott sometimes wrote approp. file #'s on

Transcript into central file; also would go into other appropriate file; several crosses could be made on a single transcripts

Files in Sov. Contacts:

Q: No such thing

D: Did have such a file on minor things

Files were #d - P-files 4 digit

Gen. category for Sov. files; numbered 50-60-

Nothing destroyed until after Scott left in 1969.

-for subj. rather than pers. files

Transcripts:

Brought in by Anne

Frank Estessone & G. were involved w/ trans.

11. Transcripts were in Spanish (from [REDACTED])

D: " " " " English

Q: Not responsible for getting them to/from [Tarasoffs]

Talked w/ them alot, relied on him for pers. assessments

Russian <sup>name</sup> ~~name~~ came in English

Generally came in 2 sections; transcribed span. w/ indication of sections in Russian which would be translated by Tarasoff.

Q: Haven't got good enough memory to remember time lag

Mr. P.B. Jones to know via train. Pan Am at N. Rio: nearest info. need. w/in 2-3 days

SECRET

Travel to Cuba:

Usually handled by Cubans unless it came thru them.

What kinds of things were reported?

0002459 Alert to certain kinds of things which would merit certain actions:  
Alert another agency.  
Put them under surveillance  
Lo-ord. w/other

Of H. Scott:

Authoritarian; meticulous; courteous Southern gentleman

info. reported on [IT-ENVOY taps] w/in 2-3 days of time tape was rec'd.  
by desk. (rather than w/in 2-3 days [of tap])  
Scott got these things 1st; he may have had access sooner.

# of telephones [covered]

can't remember [taps] were changed sometimes [coverage constant]  
commercial  
military  
embassy  
consulate

Photo surveillance

shut down at times for security reasons, but generally constant coverage

% of photographing in photo surveill. - don't know exactly  
Attempt was to photo. every foreigner (non-Mexican)  
Photographers had uncanny ability to pick out foreigners
